

The Trust Aoraki Aviemore Classic Regatta Labour Weekend 2021

A message from the convenor

Aviemore classic Regatta

Here is my first message for the 2021 event a little later than I planned due to computer issues.

The big news is that we are expanding the regatta by another day and will now have racing on Friday, Saturday with the Trust Aoraki Aviemore Classic still on Sunday. The major reason for this is that we are hosting the N25 and Ross 780 South Islands and need to be able have a greater number of races to comply with the class rules. This is a natural improvement as we normally have everything setup to go by Thursday anyway.

The NoR and Entry form should be attached with this message. The details on start time etc is in this information

We are again well into planning this year's event and as like last year will be able to run the regatta in both level 1 and 2 restrictions (unless they change the rules).

The BBQ evenings worked out so well last year that we are going to expand these as well so every night after racing there will be a BBQ at the Marquee for a donation. These donations will go towards different purposes every night.

We are looking for people to help out at the event and can offer a small number of Camp fees nights to anyone who is willing to volunteer.

For anyone new to this event, the site is setup on the 16th of October (the week before Labour Weekend) and the Otago Trailer Yacht Squadron hold a social weekend at the site. So if you are planning to have an extended break we would welcome your company.

Interislander has given again us a 15% discount for any travel between 05 October and 15 November 2021 so if you are (or know of any) North Island trailer yachties that are looking for an adventure let them know.

If you have any questions, you can contact me at geoff-swan@xtra.co.nz. I look forward to your company in October.
